

NEX CityXI

FINAL EDITION

What's new in the City and Marina of NEXCity

Changelog ENG

We have been working really hard for the new city. Here you can find what's new in the city, but only some novelties. When you visit it, you'll notice that they are even more!

What's new in the City of NEXCity:

- Changed the aesthetics and extension of the roller coaster.
- New bridge near the stadium that connects to the **Marina of NEXCity**.
- Aesthetically renovated condominio 59.
- Renovated and expanded town hall square bar.
- Modified McDonald's and pool parking layout.
- **New McDonald's** rebuilt from scratch.
- Raised and modified central observation tower.
- Reconstructed cottage near the castle.
- New **pictorial museum** in the center (ex location blue villa).
- New look outside elementary and middle school.
- Added signs for the recognition of the houses of the mayor and deputy mayor.
- Modified aesthetics of the 2 wooden buildings near ex Old Wild West.
- Improvements to the airport lanes.
- Rebuilt ex blue cottage airport area to be similar to the one near.
- Improved **vegetation and decorations** in the center area.
- New fountain and garden near IKEA.
- Changed **99%** of the pavements and sidewalks.
- Pet store changes.
- Repositioned streetlights in some areas.
- Modified stadium awards location.
- Improvements to the entrance of the stadium.
- Changed the crane for collecting containers in warehouse.
- Added tags to containers near warehouse.
- **New pet shop and OASI parking lot.**
- **Rebuilt bridge Arcata Trionfale.**
- Removed bridge to NY Street in favor of a road lined with a park.
- **Rebuilt white railway bridge.**
- Extended and continued the road to the warehouse lined with a new picnic area next to the campsite, along with bathrooms and a new dealership.
- Changed welcome signs to the initial spawn.
- From this version the initial spawn will be placed inside the town hall.
- **New prison redesigned from scratch**, expanded and equipped with alarm systems.
- Changes to the bridge near the prison.
- Aesthetic changes at NY Street Hospital.
- Outdoor area redevelopment (gardens and field), reconstruction of the gym and refurbishment of Scientific High School.
- New **Express Hospital** instead of the ex Central Hospital, complete with all the essential care and latest technologies.
- New **Teatro Verde** that expands to 256 seats.

- Aesthetic changes inside and outside the pastry shop.
- New square with fountains next to the Scientific High School.
- New **fire station** in front of condominio 59.
- Aesthetic and spacing changes to the Morandi Bridge.
- Changes to the road of the cemetery area.
- Modified the pedestrian boulevard in front of the central bank.
- **The municipal library has been expanded.**
- **Expanded pub** behind the town hall and added tables in the back.
- Modified the **entire landscape** (nature, roads, pedestrian streets...) in the town hall area.
- Expanded the bar on the corner behind the town hall.
- Modified all the gates of private houses (more consistent and realistic).
- Aesthetic changes to the house next to the courthouse.
- Moved one block the road that flanks the Cinema Lumière.
- Standardized orange signage for deviations.
- **Refurbished the entire Cinema Lumière.**
- Changed and completed 2 wooden villas behind IKEA.
- Ex Old Wild West becomes **Wild Sea** (refurbished and modified).
- **New biome:** forest with expanse of grass.
- Changes to the mountains and addition of new ones.
- Changes outside the mayor's house.
- Expanded and rebuilt the bar next to the University.
- Added **new public decorations** on all outlying streets.
- **New look for multifunctional building of NY Street**, rebuilt in gray concrete and blue windows.
- **Redeveloped Town Hall square** with new green fountain.
- External changes and new internal steel factory organization.
- **Expanded and refurbished central auditorium**, which goes from 78 to 120 seats.
- Each city hall (cinema, theatre...) has a welcome sign with the number of seats.
- **New 648-seat NEX Arena** near NEXCity Tower (ex games room). It is currently the largest city hall.
- **New multi-storey car park** in front of the NEX Arena to accommodate spectator cars.
- Removed purple welcome signs in the city center.
- **Fire equipment** (fire extinguishers, alarms...) in more buildings.
- Reconstructed central office tower.
- **New 4-star hotel** near the central multi-storey car park.
- **New hotel with luxury suites** in place of the ex 5-star hotel next to the office tower.
- Next to the town hall is born a modern and compact B&B.
- **New NEX Channel station** between radio station and central auditorium.
- Changes to the 5-star hotel reception behind the town hall.
- Rebuilt the gym with an extra floor and expanded structure.
- **New OASI mall** much wider and more modern.
- Changes to the barber's shop.
- External and internal changes to the musical instrument store.
- Restaurant in lapislazzuli near Ponte Morandi becomes a self-service.
- Reconstructed house next to the Cinema Lumière in the same style as the one next to it.
- **New garden next to the central shopping centre.**
- **IKEA rebuilt from scratch**, doubled in extension, with a new parking lot and pedestrian boulevard in Podzol.
- New house with swimming pool and garden in front of Hello Neighbor's house.
- Ex wooden house next to the central shopping centre replaced by a modern house with high-tech structure.
- In place of the central place now stands a modern white villa.
- Rebuilt and expanded 3 brick houses near McDonald's.
- Renovated area between NY Street buildings that becomes **NY Street Park**.
- Renovated the area under the bridge Arcata Trionfale that now houses the immense **NEXCity Central Park**.

- New look indoor and outdoor the olimpic pool.
- Replaced white concrete with quartz outside the 3 houses in front of NEXCity Tower.
- **Entire horizontal and vertical signage** revised and modified (especially the gaps between dashed lines).
- Internal and external changes to the restaurant and baby area.
- Expanded and modified ex KFC, now rotisserie.
- Entirely rebuilt and expanded **Acqualand**, with a new glass structure, 3 pools and dining area.
- **New Vecchia Napoli pizzeria** that stands near the 59 condominio.
- **New entrance signs to the city center.**
- Changes to airport coverage.
- Informations about **NEXCity's new Marina** in the info points.
- Changes to the gardens of various private houses.
- **Waste incinerator** ☑☑.
- **New residence** with swimming pool, restaurant, seating in place of the ex house of the deputy mayor.
- **New condos with ground floors used as clubs** (sushi and restaurant Cracco) instead of 2 cottages (area in front of central shopping center).
- **Updated every map** around the city and added new ones.
- Expanded and modified municipal park.
- Security improvements at the University.
- Modified some floors of the multifunctional building on NY Street.
- Security improvements to the stadium, safer entrance and iron fence around the building.
- **More vitality to the waters** with the addition of squid, water lilies...
- **More vitality in the earthly areas** with the addition of more villagers, even in the most frequented city areas.
- Expanded general landscape with the addition of new mountains.
- Changes to the castle (stone fence and divided entrances).
- **New control plants** with renewable energy sources, triple extension and cutting-edge technologies.
- Fixed some road signs that for some bugs had doubled.
- **Improved animal distribution** (they won't spawn in the middle of the road anymore!).
- Added **lights** around the most important buildings.

What's new in the Marina of NEXCity:

- **New Info point** behind the parking lot that welcomes new visitors.
- New **Multifunctional Centre** with offices, 534-seat concert hall, outdoor garden, shopping mall and dining area.
- **Parking** for the access to the beach and for the accommodation in the new hotel.
- New **NEXCity Palace Hotel** with 92 rooms, restaurant, SPA, outdoor pool, gym, conference room...
- New **park**.
- **Beach** with all safety equipment (rescue).
- **Private palm trees** for couples on vacation.
- Summer and maritime **landscape**.
- Secondary access to the stadium.
- **Bus** stops to get to the city.
- **Swampy** area.
- **Bridge and signs** for the return by car in the city.

With love,

NEX Channel, the creator of NEXCity.
